CAMP JORDAN

The Bangor Region YMCA Camp Jordan offers so many choices all summer long, and the common thread is that every program will bring each camper incredible growth, skills, friendship, and fun. Set on a 200 acre campus along the shores of Branch Lake in the beautiful Maine wilderness, our Sleep Away Camp, CIT/ LIT, Adventure Seekers and Leaders School Programs give children and teens of all ages and interests a sense of adventure, belonging, and purpose.

STAFF

At The Bangor Region YMCA Camp Jordan, we pride ourselves on providing a staff that live out the YMCA core values of Caring, Honesty, Respect and Responsibility. Every staff person receives extensive training, preparing them to provide the best possible physical and emotional environment for your child. All counselors are First Aid and CPR certified, and we employ two live-in health professionals and have an MD on call for reference to ensure that every camper's medical needs are met at all times.

Over the last two summers, we have kept our campers and staff safe during the pandemic. We are prepared to provide campers with another summer of fun and adventure while keeping them safe from COVID-19.

LOCATION

101 CAMP JORDAN WAY
ELLSWORTH, ME 04605

Now in our 114th year, Camp Jordan sits in the heart of Eastern Maine's pristine Lake District half way between Bangor and Bar Harbor with a world renowned medical facility and an airport with daily flights along the East Coast. Our camp is within reach of five star restaurants, beautiful small town boutiques, Acadia National Park's breathtaking ocean views, hiking, countless rock climbing cliffs, and more.

SLEEP AWAY CAMP

MINI-CAMP

This half-week program gives campers ages 7-9 an opportunity to explore new skills while under the supervision of specially trained staff. These kids experience camping away from home with lots of individual attention, but without the extended stay. Mini-Camp is offered in all six of our Sleep Away sessions. Mini-Camp check-in is from 2:00-3:00 PM on Sunday. Check-out is at 1:30 PM on Wednesday.

ADVENTURE CAMP

Adventure Camp is for campers who are incredibly passionate about spending time with their friends at Sleep Away Camp every year, but are also looking for a little more adventure! This program is designed to give campers a new and exciting experience outside of Camp Jordan during the day, while also getting the chance to be in cabins with their friends in the evening.

“Camp Jordan is a place where anything can happen, it’s a place where you meet people that you can never forget. This was my third year at Camp Jordan and every day I am at Camp, I feel like I am on top of the world. Camp Jordan is where dreams are made.”

— Alec, camper

Our Sleep Away program for campers ages 7 - 15 is formulated to reflect the appropriate challenges of each stage of child development. At Sleep Away Camp, children embark on a personal quest, enjoying activities of their choice from water sports, our ropes course, crafts, performing arts, target shooting, field sports, and more.

Your camper will have the opportunity to try many different activities such as:

TEEN LEADERSHIP

LEADER IN TRAINING (LITS)

The LIT program is an one-week outdoor adventure at Camp Jordan for 15 and 16 year old teens. LITs will have the opportunity to focus on skill acquisition, team building, personal development, and community service. The LIT program will be offered weeks 3 and 6 (July 10-16 and July 31-August 6).

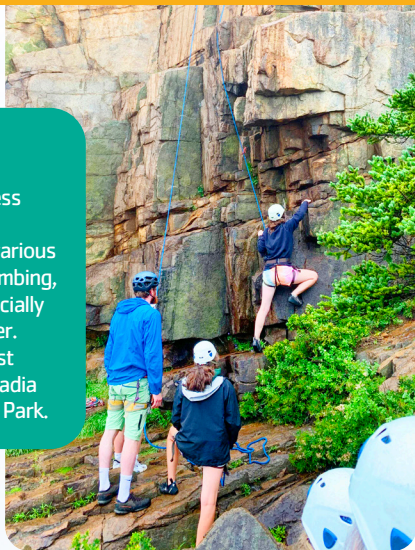

COUNSELOR IN TRAINING (CITS)

The CIT program is for our 16 year old campers and is geared towards teens who aspire to become counselors one day and continue as a leader in their community. Many CIT participants were former campers who return to become volunteers and staff members, thus providing the legacy, energy and talent that has preserved more than 114 years of The Bangor Region YMCA Camp Jordan tradition. The CIT program will be offered weeks 1 and 4 (June 26 - July 9 and July 17 - 30).

ADVENTURE SEEKERS

ADVENTURE SEEKERS

The Adventure Seekers Program is a wilderness expedition program for teens looking for an exciting and elevated camp experience. Our various expeditions incorporate backpacking, rock climbing, paddling, wilderness survival and more — specially designed to explore all that Maine has to offer. Adventure Seekers explores the best and most iconic parts of the Maine Wilderness from Acadia National Park, to Gulf Hagas, to Baxter State Park.

LEADERS SCHOOL

HIGH SCHOOL WEEK

Entering 9th – 12th Grade • AUGUST 7 – 13, 2022

MIDDLE SCHOOL WEEK

Entering 5th – 8th Grade • AUGUST 14 – 20, 2022

ADVANCED EXPEDITIONARY CREW (AEC)

For Leaders School Graduates, Ages 16 – 19 • AUGUST 7 – 13, 2022

Leaders School is a fast-paced program that provides pedal-to-the-metal activities for six incredible days. It is an experiential based (learn by doing), sequenced, group focused program that encourages healthy risk taking, mutual support, and a greater connection to the outdoors. The highlight of the week is CHALLENGE DAY which is a two-day, out-of-camp experience centered around rock climbing, paddling, biking and backpacking.

“This camp has been a vital part of our family’s life for the past 4 years. It is a priority to get our son here. We had such a hard time with him at the beginning of the summer between 6th and 7th grade. This camp gave us hope and didn’t disappoint. I no longer worry about him...at all...and it has everything to do with his family support and this camp.”

— Leaders School Parent

CHALLENGE DAY

Leaders School promotes activities for skill acquisition, individual and group goal setting, as well as opportunities for introspection during its two-day, out-of-camp experience called Challenge Day. Young leaders can choose from a number of options within the pursuits of canoeing, biking, hiking, or rock climbing. Each skill-specific track consists of trips that build on the experiences and skills you learn from your previous trip.

AEC

The Advanced Expeditionary Crew (AEC) is for older leaders who are motivated to build on their foundation of leadership and outdoor skills. AEC is an intense experience which gives teens the tools needed to bridge the gap to adulthood, challenging participants to think as adults, and preparing them for life in college and future employment opportunities.

Tier pricing is not income-based, but is based on what your family is comfortable with paying.

TIER 1 – Most accurately accounts for the true cost of operating camp— including wear and tear on equipment, transportation, and depreciation.

TIER 2 – A partially subsidized rate for those who can afford to pay more than just the basic costs associated with attending camp.

TIER 3 – This is an adjusted fee. It covers just the basic costs associated with attending camp such as food, staff salaries, and supplies.

All campers receive the same camp experience regardless of the tier their family pays.

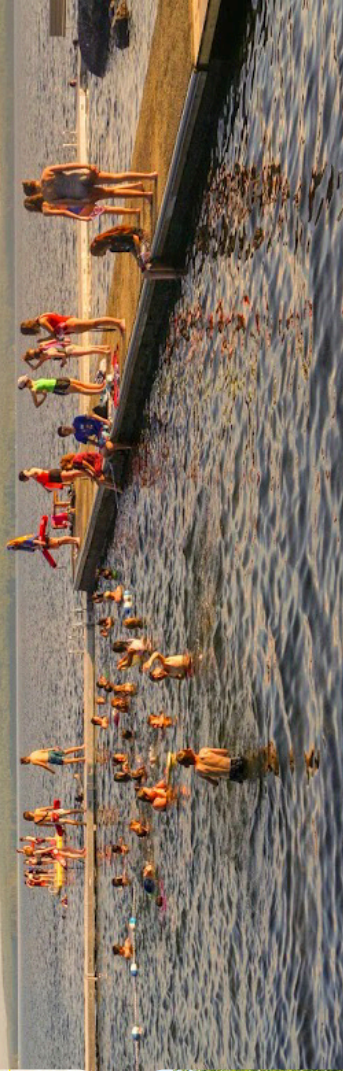

FINANCIAL ASSISTANCE IS AVAILABLE
